- 4) Unsuccessful Attempt: Jul 16, 2024, 11:20 am CDT at Home: 19710 Chara Ct, Cypress, TX 77433
A lady closed the door immediately she saw me coming and I knocked at the door and it feels like the defendant have been trying to refuse service because they were all inside looking at me through the window, I could see them but they refused to answer the door, later he started talking to me via the security camera and stated that he told me that he is out of town and there is no one at home so I told him that I saw people looking at me through the window and I can serve any adult in the address and he said the person I saw was his kid and I told him that the people I saw are adults and beside his kid was at the garage playing with his scooter as at the time I got there when I notice someone at the glass door looking and another at the window, then he said he will call the police, so I told him to go ahead as I am doing my job so if he feels uncomfortable, he should go ahead. I feel the subject is avoiding service and it will be very difficult to serve him because he will see you coming through the doors and windows and camera and decide not to answer the door and no adult in the house wants to accept service.
